
MY SCHOOL GYM

Do you know about two gyms in my school?

Gym and hall

In fact there are two sport gyms in this school. They are a gym and a hall. Would you like to know them?

Gym

First, the gym is old.

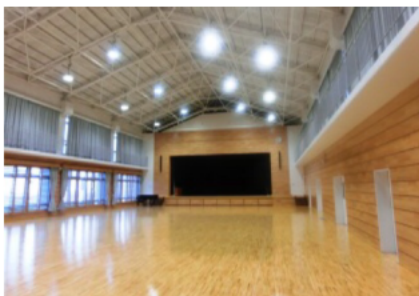

It is used by two club teams, the basketball club and the volleyball club.

According to our

father, this gym is used by many people.

Hall

Next, a hall is new. It is used by the table tennis club. This hall was built seven years ago. So, it must be beautiful.

But it's very hot in summer.

How do think?
