

# Our School Trip

We'll tell you about Kawahigashi's School Trip.  
Can you guess where we visit every year?  
We went to Okinawa from April 24th to 26th this year.  
We enjoyed and learned many things.

## **On The First Day:**

We learned about Battle of Okinawa.  
We went to Pease Museum and Pease Memorial Park.  
We learned war is miserable.  
Then, we went to our hotel.  
Some students played UNO on the rooftop.

## **On The Second Day:**

We enjoyed activities. For example touching dolphins, riding a banana boat and so on. We went to Churaumi Aqarium.  
It's the biggest aquarium in Okinawa.  
After that, we saw a whale shark. It was powerful.

## **On The Third Day:**

We went to Shuri Castle, but we can't see it because it burned two years ago. We felt sad.  
Going on a school trip is the most exciting event for junior high school students.  
We'll never forget our memories in Okinawa.
